

Wayne Habits of Success (HOS)

Keystone habits start a process that over time, transforms everything... They help other habits to flourish by creating new structures, and they establish cultures where change becomes contagious

Vision

The Habits of Mind will be a system for thinking, creating, and living; one that is woven within the tapestry of our overall school culture.

Our students will leave us being intellectual thinkers who are reflective and thoughtful. They will maximize their potential both academically and personally. Our students will have the skills to be successful and productive citizens and achieve overall happiness.

Habits of Mind

- Persisting
- Thinking & communicating with clarity and precision
- Gathering data through all senses
- Creating, imagining, innovating
- Responding with wonderment and awe
- Taking responsible risks
- Finding humor
- Thinking interdependently
- Remaining open to continuous learning
- Managing Impulsivity
- Listening with understanding & empathy
- Thinking flexibly
- Thinking about thinking
- Striving for accuracy
- Questioning & posing problems
- Applying past knowledge to new situations

The Journey Since January

- Goal: Habit of Mind Committee will identify a team or a group of students at LHC, CHC and NGC for pilot for the 2015 -2016 school year (Semester 1)
 - Committee will re-write the Wayne Westside Values to add to the omnipresence of HOM and guide curriculum focus and writing
 - Committee will create a curriculum for the IMPACT period focused on Habits of Success for students incorporating Naviance program.
 - Committee will look at Naviance goal setting questions and create one question that students can reflect on future goals with Habit of Mind in mind.
 - Committee will create a Pilot referral form that embeds habits of mind in discipline infractions
 - Committee will create measurable goals to gauge the impact of HOM
 - Committee will create a plan for continued PD at BD during the 2015-2016 School year
