

Dare to Dream Awards Ceremony packs Ben Davis auditorium

A celebration of the accomplishments of individuals with disabilities drew a full house to the Ben Davis High School auditorium March 10.

The third annual Dare to Dream Awards Ceremony put a spotlight not only on the accomplishments of individuals with disabilities, but the Wayne community members who help make these accomplishments possible. Dr. Tara Rinehart, director of special services for MSD Wayne, and Anne Kelly, RTV6 multimedia journalist, emceed the event.

One of the highlights of the ceremony was an interview by Ben Davis High School student Ellie Johnson with Macy Huff. Macy, also a Ben Davis student, was injured in a gymnastics accident three years ago. She shared her accomplishments and dreams with the audience.

A total of 149 Dare to Dream awards were handed out to MSD Wayne students, staff, and community members. The event is held each year in March, which is Disability Awareness Month in Indiana.
