

News in the MSD of Wayne Township

Wayne Habits of Success now visible throughout district

For the month of February, the Wayne Habit of Success is finding humor. Other months will feature habits such as persisting and striving for accuracy.

Posters promoting our Wayne Habits of Success are now on display throughout our schools. They will be changed on a monthly basis. The Habits of Success are practices for thinking and creating that are being woven into our overall school culture.

We hope you enjoy these colorful new posters!
