# “I Am Wayne” sign makes debut at MSD Wayne opening day ceremony

Do you want to let the world to know how proud you are to be part of the Wayne Township community? Then keep your eye out for the “I Am Wayne” sign, coming soon to an event near you!

Built with the help of contributions from MSD Wayne staff and alumni, as well as the Wayne Township businesses community, the sign’s designer drew inspiration from the “I Love Indy” campaign. Individuals may pose as the “I” in “I Am Wayne” — an outgrowth of the district motto, “We Are Wayne.”

“We are working to connect our schools and community in new ways,” said MSD Wayne Superintendent Jeff Butts. “This sign is a visible reminder of that relationship.”

MSD Wayne Board Member Brandon Bowman and Board Secretary Phyllis Lewis posed with the sign after the district’s 2015-16 opening day ceremony for staff. Behind them are alumni who sang at that event. The “I Am Wayne” sign will be featured throughout the year at events across the district.
