# Veterans memorial sculpture unveiled at Lynhurst 7th & 8th Grade Center

A new sculpture sits in the veterans memorial garden at Lynhurst 7<sup>th</sup> & 8<sup>th</sup> Grade Center.

The veterans memorial garden was dedicated in May. It was created by a student organization called the Lynhurst Environmental Action Posse (LEAP) under the leadership of history teacher Christopher Moore. Mr. Moore and the students received the support of Keep Indianapolis Beautiful and other community organizations in making the garden a reality.

The new sculpture was designed and created by veteran and sculptor Brett Harbour. It displays the words "leadership," "honor," and "courage."
