Mayor Hogsett pays visit to Wayne Township Preschool

Indianapolis Mayor Joe Hogsett started his morning on Wednesday, April 6 with a visit to Wayne Township Preschool.

The mayor got a chance to dance along with the students, hear them sing, and watch the school's great teachers in action.

Mayor Hogsett toured classrooms with students attending preschool through two scholarship programs: the city's Indy Preschool Scholarship Program, and the state's On My Way Pre-K Program.

"This is the best part of my day," said Mayor Hogsett of his visit to Wayne Township Preschool. We're thrilled the mayor took the time to visit our outstanding preschool!
