

# MSD Wayne announces 2015 M.G. Raby Award winners

Each year, MSD Wayne honors people who support equal justice and opportunity and celebrate diversity.

The district announced the 2015 M.G. Raby Distinguished Service Awards on Monday, June 8. The awards were presented before the regularly scheduled school board meeting.

M.G. Raby served as human relations coordinator for MSD Wayne from 1981-97. She had been a principal with Indianapolis Public Schools. Her role grew out of the city's desegregation process that ultimately brought thousands of new students to MSD Wayne.

Awards were given in the following categories: community leader, staff, student, volunteer, and legacy winner.
