# Retired MSD Wayne staff member receives state social work award

*August 19, 2016*

Linda Kates has been named the Indiana School Social Worker of the Year for 2016. Linda retired from Wayne Township Preschool in May.

The award is given jointly by the Indiana Department of Education and the Indiana School Social Work Association.

In informing Linda of the award, INSSWA President Patrice Uminski said, "You have been recognized as being among the best in your field, with the highest standards and most effective skills in working with the students and families that you serve."

Ceremonies honoring Linda will take place in Lisle, Illinois in October and in Greenwood, Indiana in September.
