#### PRESENT:

District Designee: John Taylor, Chief Secondary Officer

A review of the facts presented by the parent(s) / student and the building-level administration was conducted.

After careful review, I find that:

☐ the student should not be determined to be a habitual truant.

According to the MSD Wayne Township School Policy C200, this decision is final and deemed to be the determination of the Board.

Where a determination is made within 60 days of May 15<sup>th</sup>, the initial review will be conducted by October 31<sup>st</sup>. At that time, it will be determined if the student continues to qualify as a habitual truant.
