

# Why should I buy a home in MSD Wayne?

**WE ARE WAYNE!**  
GREAT SCHOOLS  
GREAT COMMUNITY

- Our students earned more than 30,000 college credits during the 2015-16 school year.
- Our early-college high school, Ben Davis University High School, has had a 100-percent graduation rate six years in a row. The majority of students at BDU also earn two-year associate's degrees from Vincennes University.
- The dedicated staff at our nationally-accredited (NAEYC) Wayne Township Preschool provides more than 400 children from age 3-5 with a positive learning environment where they can grow academically, socially, and emotionally.
- Teachers in our 11 elementary schools meet the individual needs of students to prepare them for future learning. Our elementary schools include a National Title 1 School of Distinction and Indiana's Elementary Principal of the Year for 2015, Moira Clark of Maplewood Elementary.
- Our 7th & 8th Grade Centers include the 2014 Indiana Middle School Principal of the Year, Dan Wilson of Lynhurst and 2005 Middle School Principal of the Year, Sheri Patterson of Chapel Hill.
- Ben Davis High School provides multiple pathways to success for students, including more than 20 AP classes, 41 paths in our career center, 40 different clubs, and 30 different athletic teams.
- MSD Wayne students have multiple opportunities to utilize technology in the classroom through the district's Blueprint for Digital Learning.
- The Wayne Township community is deeply invested in our students, shown by programs such as HOSTS (Helping One Student To Succeed), which provides more than 1,000 volunteer reading tutors. We have partnerships with more than 250 community businesses.
