

**AUDIO RECORDING OF BOARD MEETINGS**

The MSD of Wayne Township School Board authorizes the audio recording of regular Board meetings as an aid to clarifying interpretation determining Board action for the official record. The recordings shall be retained until the Board has approved the minutes of the meeting of which the recording was made.

The executive assistant to the Superintendent shall be the keeper of the recordings. The recordings will be available for audio inspection by members of the Board and other interested persons during normal office hours.
