

BOARD POLICY DEVELOPMENT SYSTEM

The MSD of Wayne Township School Board endorses for use in this District a policy development codification and dissemination system. This system is to serve as a general guideline for such tasks as policy research, the drafting of preliminary policy proposals, reviewing policy drafts with concerned groups, presenting new and revised policies to the Board for consideration and action, policy dissemination, policy evaluation and the maintenance of an easy-to-use policy manual and website. Policies will be codified under the following sections:

- A Basic Commitments
- B School Board Governance
- C Students
- D Personnel and Administration
- E Instruction
- F Fiscal Management
- G Operations and Facilities
- H Community Relations

If any policy or part of a policy is judged to be inconsistent with law, inoperative by a court of competent jurisdiction, or is invalidated by a policy or contract adopted by the Board, the remaining policies, parts of the policies, or bylaws shall remain in full effect.
