

**BOARD MEMBER INSURANCE**

Indiana Law allows a public employer, such as the MSD of Wayne Township, to contract for group insurance for its employees, including its elected officers. School Board members shall be permitted to obtain group insurance of the same type and on the same terms as such insurance is provided to members of the District's management staff subject to applicable law and the provisions and limits of such insurance plans.

I.C. 5-10-8-2.6

MSD of Wayne Township, Marion County, Indiana

Adopted: January 20, 1986
