

# Why should I buy a home in MSD Wayne?

**WE ARE WAYNE!**  
GREAT SCHOOLS  
GREAT COMMUNITY

- Our students earn more than 30,000 college credits each school year.
- Our early-college high school, Ben Davis University High School, has had a 100-percent graduation rate nine years in a row. The vast majority of students at BDU also earn two-year associate's degrees from Vincennes University.
- The dedicated staff at our nationally-accredited (NAEYC) Wayne Township Preschool provides more than 400 children from age 3-5 with a positive learning environment in which they can grow academically, socially, and emotionally.
- Teachers in our 11 elementary schools meet the individual needs of students to prepare them for future learning. Our elementary schools include a National Title 1 School of Distinction and Indiana's Elementary Principal of the Year for 2015, Moira Clark of Maplewood Elementary.
- Our 7th & 8th Grade Centers include the 2014 Indiana Middle School Principal of the Year, Dan Wilson of Lynhurst.
- Our school district is led by Dr. Jeff Butts, 2019 Indiana Superintendent of the Year and finalist for National Superintendent of the Year.
- Ben Davis High School provides multiple pathways to success for students, including more than 20 AP classes, 41 paths in our career center, 40 different clubs, and 30 different athletic teams.
- MSD Wayne students have multiple opportunities to utilize technology in the classroom.
- The Wayne Township community is deeply invested in our students, shown by programs such as HOSTS (Help One Student To Succeed), which provides more than 1,000 volunteer reading tutors. We have partnerships with more than 250 community businesses.
