REQUEST FOR PROPOSAL (RFP)
Internet Access

MSD Wayne's bidding process is focused on obtaining E-Rate eligible services. For E-Rate purposes, MSD Wayne will evaluate bids on the internet proposal, which is the eligible E-Rate service. If a vendor also offers voice solutions and would like to submit a voice service bid, below are the options. For Option #2, MSD Wayne requires the pricing to show a break out of costs separating the internet and voice service amounts. The E-Rate evaluation of proposals will focus on the internet bid.

- **Option #1** – Internet bids as listed on RFP to Ben Davis High School - 1200 North Girls School Road Indianapolis, IN 46214.
- **Option #2** – Internet bids as listed on RFP with an option for a SIP Trunk service for same facility.
 1. Local and long distance service for 50 SIP Call Paths
 2. LD Blocks (1000 block)
 3. 50 DID Blocks (20 per block)The vendor must break out the price between internet and SIP Trunking.
- **Option #3** – Option for SIP Trunk service at Ben Davis High School - 1200 North Girls School Road Indianapolis, IN 46214 that includes:
 1. 50 SIP Call Paths
 2. LD Blocks (1000 block)
 3. 50 DID Blocks (20 per block)
