6/1/2021	<input type="checkbox"/>	fchiki19	Upon the second review, I need to ask you to provide more detail (maybe an attached sheet within the App Center) regarding the 11000 Supplies budget cell. Due to the large amount requested, would you provide examples, and amounts/costs, of what is being purchased in the areas of classroom and instructional supplies, what types of software licenses (and the cost), and the quantity and individual cost of the 300e laptops? For the classroom/instructional supplies, it is acceptable to state it as, such as XX. The same may be used for software licenses if you haven't decided upon them as yet.
5/28/2021	<input type="checkbox"/>	fchiki19	All updates have been reviewed. Moved to PDA.
5/17/2021	<input type="checkbox"/>	fchiki19	I have reviewed the ESSER II Application. Please make the following revisions on the District Administrative Expenses page: 1. On the Staffing tab, please make the following revisions: a. For all non-certified paraprofessionals, please add, will work in close frequent proximity and under the direct supervision of a certified teacher, to their description. b. It isn't clear the nature of the support staff shown below. What is their title and exact function? Are they counselors for staff members? Will they be housed at individual schools? Please expand upon these positions. c. For all staff/teachers receiving stipends, please provide more details, such as their specific duties, hourly rate for stipend, and maximum able to receive based on actual duties performed using time and effort logs. d. For all staff listing only a title and/or grade level in description, please provide more specifics as to their duties/responsibilities as current descriptions are vague. e. Please keep MOE in mind for staff in planning after ESSER funds are no longer available. 2. On the Budget tab, please make the following revisions: a. Move the cost of 300 laptops/chargers to Line 11000 Supplies, adjusting budget cells accordingly, and place descriptions for all supplies in the Supplies description box (if need to run into another box due to space limitations, please place, Supplies cont'd. at the top for clarity during application review), including the cost per each laptop. b. Move the Internet Connectivity cost to Line 11000 Other Purchased Services. c. \$2,642,924.81 has been placed on Line 4000 Purchased Property, but no description for these monies have been provided. Please provide a description of the expenses in the description box (or attached sheet if necessary), or redistribute these funds. Please let me know if you have any questions or need any clarifications.
