

PURDUE
UNIVERSITY Extension

What is 4-H

- ❖ 4-H is an organization that provides youth with opportunities for personal growth and development.
- ❖ Members also participate in local community outreach opportunities throughout the year.
- ❖ Wayne Township 4-H was started by a Wayne Township Educator after World War II.
- ❖ During the 80s & 90s Wayne Township membership was around 500 youth active in over 25 in-home clubs lead by volunteers.

What do 4-H Members do in 4-H

- Club Meetings after-school or in the evening
- Project Workshops may take place in the evening, weekends, or during school breaks.
- 4-H camps takes place in June
- Activities planned throughout the year that allow members to give back to the community.

Goals

- 1. Grow membership through opportunities that allow any youth residing in Wayne Township the ability to be active in a 4-H club**
- 2. Create a Symbiotic relationship with the BDHS Career Center**
- 3. Utilize the technology available to our members**
- 4. Increasing community awareness of 4-H activities that are occurring**
